Thank you to the South San Joaquin Holstein Club for hosting an outstanding State Convention in Visalia this year! All attendees had a memorable experience at Host Night, graciously hosted at the home of Tim & Deene Souza. We enjoyed delicious food and drinks, comraderie of Holstein friends, and relaxed atmosphere at their historic landmark residence in Tulare. Support from members, breeders, and allied industry in the way of donations and sponsorships is greatly appreciated in making this event possible.

PLEASE indicate on your entry form any stalling preferences, as there will be a barn chart when you arrive at the fairgrounds. Stall space allotment is 1.5 stalls for heifers and 3 spaces for cows.

SHOW RULES AND CLASS DESCRIPTIONS:

The California Holstein Association supports the Holstein USA Show Ring Code of Ethics. All exhibitors are expected to adhere to these Rules.

**Futurity Class:** The Futurity Show will take place on Thursday evening. First and Second Place winners are eligible to compete for Intermediate and Grand Champion without showing in the Open 3-Yr Old Classes. In the Futurity classes, points for Premier Breeder and Premier Exhibitor will be award only in the Open Division. A 3-Yr Old competing in both a Futurity Class and an Open Show 3-Yr Old Class will be awarded Premier Breeder and Premier Exhibitor points in only ONE CLASS- NOT BOTH. *Futurity animals must pay an entry(stall) fee equal to open show entries."

**Owner and Exhibitor of Animals:** At the time entries are submitted, the exhibitor of the animal must be listed. An animal owned in joint partnership must designate as to who is exhibiting the animal at the show either the partnership OR a member of the partnership. The same holds true for Junior members that want to show their animal under the family unit in the Open Show. A partnership or a Junior member must select who the exhibitor is for the open show on the entry form prior to the State Holstein Show. All entry forms and the State Show Program will list both the owner of the animal and the exhibitor of the animal.

**Bred and Owned Awards:** The owner of the dam at time of service shall be considered the breeder of the animal. Where a herd is registered in the names of different members of a family, and where the herd is one unit, all entries may be considered as exhibits of one breeder. **PLEASE NOTE:** To qualify for the Bred and Owned Awards, one of the original owners must be listed as one of the current owners and exhibitors of the animal, or one of the current owners must share the same family prefix with the animal winning the award. For family units, all members must be listed that share the same prefix at the Holstein Association.

**Premier Breeder:** Awarded to the Breeder winning the most points on 5 animals or less in the Open Division or Futurity with the same prefix and breeder. Points will be awarded to the breeder listed on the registration paper. Individuals with 1 prefix (family units) will be considered as one unit on the entry card; all names that share the same prefix must be listed. (Junior Division: same as above, except individuals must have bred and owned the animal that is being shown. Family unit does not apply.)
Premier Exhibitor: Awarded to the exhibitor winning the most points on 5 animals or less in the Open Division or Futurity. Exhibitor points will be awarded to the herd unit exhibiting the animal provided the exhibitor has an ownership interest in that animal. In the case of multiple ownership, exhibitor must show proof of ownership as denoted on the entry form. (Junior Division: same as above, except individual must own the animal that is being shown. Family unit does not apply.)

**Production Awards:**
All official production records can either accompany entries mailed in or list them when you enter online. Late entries will not be considered for production awards. No Exceptions. Only actual records 305 days or less should be used. No projected records. All records should be adjusted to 2x ME in order to use 3x records and account for age differences. (3x milking x .85).

Also, this will serve as an opportuntiy for Holstein enthusiasts to attend our show and see first hand the quality of CA Holsteins!
