2017 State Show

- As chairperson, Anthony commended all exhibitors on a tremendous quality show.
- Hank and Pat both voiced their frustration with the electrical problems at the fairgrounds and lack of adequate power supply.
- Anthony said cleanup and straw removal went smoothly with the SSJHA volunteers. But there was a lot of trash left in the animal stalling areas including needles. This is unacceptable from a safety and liability aspect and needs to be made clear on the entry form. Maybe a "clean barn deposit" is necessary with entries?
- An Exhibitors meeting needs to be held at the show that is mandatory
- An Ethics Committee needs to be in place as board members received calls from exhibitors and non-exhibitors after the show voicing their concerns about possible ethics violations.
- The possibility to take over running the Jersey show was discussed, with not everyone in favor. More communication needs to take place prior to the show with the jersey club as to who has what responsibilities.
- Hank moved for the CA State Holstein Show to adopt the National Junior Holstein Showring Policy. 2nd by Carol and approved unanimously.
