

# HOLSTEIN ASSOCIATION

August 12, 2026

Dear Industry Friends,

The California Junior Holstein Association will be having a Silent Auction fundraiser in conjunction with the Western Dairy Showcase on Saturday, October 10 at the Stanislaus County Fairgrounds.

Profits from this Silent Auction will help the California Junior Holstein Association finance activities throughout the year. This includes subsidizing delegates to the National Holstein Convention to participate in various competitions and workshops, supporting exhibitors who travel with their cattle to national dairy shows, professional skills development programs, recognitions, awards and college scholarships. In addition, funds help host Cow Camp, which is held annually at college campuses and includes youth from several dairy breed organizations. These activities positively impact the dairy youth of California, while at the same time educating them about our ever-changing industry in order to become future agriculture leaders.

On behalf of our Junior Officer Team and nearly 300 members statewide, I invite you to consider participating in this fundraiser through the donation of an item, farm goods or themed basket to our Silent Auction.

*The California Holstein Association is a non-profit organization: TID #94-1141428*

If you have any questions, please use the contact info below. **Thank you in advance!**

Sincerely,
