

California State Holstein On-Farm Challenge

Showcase your herd favorites as you see them every day!

Week of October 20-25

Judge: Bill Stolfus Buhl, ID

HOW ON-FARM CHALLENGE WORKS:

Official judge will come to your farm at an arranged time and evaluate the cows that are entered. Snapshots will be taken of animals presented to use in the awards and in case the judge needs a refresher while compiling placings. After visiting all farms and seeing all entries the judge will then select winners from each age class, as well as Champions.

A fun, low stress way to show off your favorite cows!

In an effort to recognize cows that have not competed in the show ring, no animals that have shown on the state or national level within the past 2 years can be entered. (This includes the CA State Show, CA State Fair, Western Classic Junior Show, Western Dairy Showcase, Western Spring National, World Dairy Expo)

Non refundable entry fee \$25/head. Deadline October 1.

Payable by Venmo QR on entry forms, or paper check to CA Holstein PO Box 507 Keyes, CA 95328.

Exhibitor is limited to 3 head per class, with no more than 24 total entries.
