

# HOLSTEIN ASSOCIATION

February 8, 2026

Dear

The California Junior Holstein Association will be having a Silent Auction in conjunction with the Western Classic Dairy Show on Saturday, March 7, 2026 in Tulare at the World Ag Expo grounds. Proceeds from the Silent Auction help the Junior Holstein Association to finance trips to the National Holstein Convention to participate in learning competitions, as well as college scholarships. In addition, funds raised help sponsor Cow Camp, which is held annually at college campuses in California and includes youth from several dairy breed organizations. These activities help promote the dairy youth of California, while at the same time educate them about our ever-changing industry. We would very much appreciate the donation of an item to our Silent Auction.

The California Holstein Association is a non-profit organization: I.D.#94-1141428

**Thank-you!** If you have any questions, I can be contacted at (805)801-0463.

Sincerely,

*Kate Teixeira*
